

**Saskia de Pee** is Senior Technical Advisor for Nutrition at the United Nations World Food Programme (WFP) where she leads the 'Fill the Nutrient Gap' team and is Adjunct Associate Professor at the Friedman School of Nutrition Science and Policy, Tufts University, Boston and at Human Nutrition, Wageningen University, the Netherlands. She has worked in public health nutrition for more than 20 years, focusing on science as well as practical applications, policies and strategies.

Her areas of expertise include complementary feeding, micronutrients, fortification, food and nutrient security, nutrition in the context of social protection, HIV/AIDS and Tuberculosis. The practical application of nutrition science, at the interface with disciplines such as food technology, anthropology, economics, and in collaboration with stakeholders from government, private sector, donors and academia to achieve sustainable solutions is her passion. Prior to joining WFP in 2007 she worked for Helen Keller International in the Asia Pacific region for 10 years. She has co-authored more than 150 scientific publications and holds a PhD in Nutrition from Wageningen University, the Netherlands.
